Franklin Baitey Wilkins (12)
Mars Hill, NC

Phillip Wogan (14)
New Orleans, LA

W. T. Yancey, Jr. (13)
Oxford, NC

Richard Jay (unreadable) (9)
Asheville, NC

* - These names came from camper application cards and application forms that were unbound that we found in 2023 scattered across the floor of a storage shed behind the infirmary. After nearly 100 years of storage, weathering, and mouse damage, these were what we could find from 1926. Chief limited enrollment to 50 campers in 1926, so this list is close to accurate.
