Few campers ever achieve the sacred rank of Chosatonga in the Indian lore program; this past five weeks Tommy Cox completed the 24 hour Vigil and was given this rank. Congratulations are always in store for any recipient of this award.

Special congratulations are also well deserved by the Dog Soldiers. The Dog Soldiers is an older boy program of service and crafts within the regular Indian lore program. Those inducted into this society were:

Paul Coughlin, Dick Lane, Roy Harrison, Bob Harris, Tosh McGuire, Tommy Hicks, and Tommy Cox.

Also, the Indian lore staff takes special pride in its 44 Braves and its 14 warriors.
