

Honor Campers

FIRST-FIVE '75

"The greatest respect anyone can receive is that which is bestowed by his peers". And so it is with Sequoyah's Honor Campers. The young men listed below were selected by their fellow campers as the best all around campers in each tribe.

- CHICKASAW - DAN FIELDS
- CHEROKEE - JOHN TRASK
- CATAWBAS - CART CARMICHAEL
- TUSCARORA - ELLIS ZAYTOUN

AREA AWARDS

Sequoyah gives very few "awards". We feel that the best reward for every camper is the feeling deep inside that you did your best at everything. We do, However, like to officially recognize those campers who worked very hard and showed exceptional interest and skill in a particular area. For the First-Five '75, the Area Awards went to:

Honor Campers

SECOND FIVE '75

Each five week session four simple, wood-burned plaques go home with four special young men. The plaques identify those who receive them as Sequoyah Honor Campers, as the best all-around campers in each of the four Tribes. The staff has no say in the selection of Honor Campers; it is an honor given solely by the vote of all campers in a tribe. We salute the Honor Campers for Second Five '75:

CHICKASAW	-	ROBERT WILLIAMSON
CHEROKEE	-	BRYAN BERRY
CATAWBA	-	VANCE YOUNG
TUSCARORA	-	DAVID WUESTER

AREA AWARDS

No camper goes home from Sequoyah with a bunch of fancy awards. We believe that doing something the best you can is its own reward; so we don't give out a lot of trophies, medals or ribbons. We do, however, like to recognize those campers who showed exceptional interest, skill and achievement in each Area.

The Second Five Area Award winners were:
